[We like to do another number, 'cause it's what we're here for.

While Paul fiddles with his amplifier.

I hope you can hear me, I'd be awfully disappointed if you couldn't.

We'd like to do another number from one of our LPs, albums, long players, records...

Oh yeah.

It's a slow number and it's a waltz for all of you over 10.

Some people play fast waltzes and some people play slow waltzes but we're gonna play a slow one and it's called "Baby's In Black".]

Baby's In Black

(John Lennon, Paul McCartney)

Lead Vocals: John Lennon and Paul McCartney

Oh dear, what can I do?

Baby's in black and I'm feeling blue

Tell me, oh what can I do?

She thinks of him and so she dresses in black

And though he'll never come back, she's dressed in black

Oh dear, what can I do?

Baby's in black and I'm feeling blue

Tell me, oh what can I do?

I think of her, but she thinks only of him (Of him)

And though it's only a whim, she thinks of him

Oh how long will it take

Till she sees the mistake she has made?

Oh dear what can I do?

Baby's in black and I'm feeling blue

Tell me, oh what can I do?

Guitar solo

Screamings

Oh how long it will take
Till she sees the mistake she has made?
Dear what can I do?
Baby's in black and I'm feeling blue
Tell me, oh what can I do?

She thinks of him and so she dresses in black
And though he'll never come back, she's dressed in
black
Oh dear what can I do?
Baby's in black and I'm feeling blue Tell me, oh what
can I do?
