Martha my dear  
Though I spend my days in conversation  
Please remember me  
Martha my love don't forget me  
Martha my dear

Hold your head up you silly girl  
Look what you've done  
When you find yourself in the thick of it  
Help yourself to a bit of what is all around you

Silly girl take a good look around you  
Take a good look you're bound to see  
That you and me were meant to be  
For each other silly girl

Hold your hand out you silly girl  
See what you've done  
When you find yourself in the thick of it  
Help yourself to a bit of what is all around you  
You silly girl

Martha my dear  
You have always been my inspiration  
Please be good to me  
Martha my love don't forget me  
Martha my dear
