I found it out, what love is all about
And every day at three, when school lets out
I see my baby, I get weak in the knees
There's nothing shaking, but the leaves on the trees
My pappy told me there'll be times like these

The cats are stomping on their heels and toes
I got my baby, trying to give her a squeeze

One day, the wind will blow and the sun will shine
Till that time, she puts my heart at ease
There's nothing shaking, but the leaves on the trees
She locked my heart and threw away the keys
There's nothing shaking, but the leaves on the trees

There's nothing shaking, but the leaves on the trees
There's nothing shaking, but the
