My baby says she's traveling on the one after 909  
I said move over honey I'm traveling on that line  
I said move over once, move over twice  
Come on baby, don't be cold as ice  
Said she's traveling on the one after 909

I begged her not to go and I begged her on my bended  
knees  
You're only fooling around, only fooling around with  
me  
I said move over once, move over twice  
Come on baby, don't be cold as ice  
Said she's traveling on the one after 909

Picked up my bags, run to the station  
Railman says you got the wrong location  
Picked up the bag, run right home  
Then I find I got the number wrong

Well, said she's traveling on the one after 909  
I said move over honey I'm traveling on that line  
I said move over once, move over twice  
Come on baby, don't be cold as ice  
Said she's traveling on the one after 909, yeah

Picked up my bags, run to the station  
Railman says you got the wrong location  
Picked up my bags, run right home  
Then I find I got the number wrong

Well, she said she's traveling on the one after 909  
I said move over honey I'm traveling on that line  
I said move over once, move over twice  
Come on baby, don't be cold as ice  
She said she's traveling on the one after 90  
She said she's traveling on the one after 90  
She said she's traveling on the one after 909

{Oh Danny boy, the old [incomprehensible] calling}
