Beatles - Polythene Pam (demo)

=====

(John Lennon, Paul McCartney)

Lead Vocal: John Lennon

(demo)

Well you should see Polythene Pam  
She's so good-looking but she looks like a man  
Well you should see her in drag dressed in her  
polythene bag  
Yes you should see Polythene Pam  
See Polythene Pam

Get a dose of her in jackboots and kilt  
She's killer-diller when she's dressed to the hilt  
She looks a little upset but she's a nice kind of bet  
Yes you could say she was attractively built  
Say she was attractively built

See Polythene Pam  
She's so good-looking but she looks like a man  
Well you should see her in drag dressed in her  
polythene bag  
Yes you should see Polythene Pam  
See Polythene Pam

Get a dose of her in jackboots and kilt  
She's killer-diller when she's dressed to the hilt  
She's the kind of a girl that makes the "News of the  
World"  
Yes you could say she was attractively built

In jackboots and kilt  
She's killer-diller when she's dressed to the hilt (voices  
crash together)
