Crème tangerine and Montelimar
A ginger sling with a pineapple heart
A coffee dessert, yes, you know it's good news
But you have to have them all pulled out
After the Savoy truffle

Cool cherry cream, nice apple tart
I feel your taste all the time we're apart
Coconut fudge really blows down those blues
But you'll have to have them all pulled out
After the Savoy truffle

You might not feel it now
When the pain cuts through
You're going to know and how
The sweat is going to fill your head

When it becomes too much
You'll shout aloud

You'll have to have them all pulled out
After the Savoy truffle

You know that what you eat you are
But what is sweet now turns so sour
We all know Ob-la-di-bla-da
But can you show me where you are?

Crème tangerine and Montelimar
A ginger sling with a pineapple heart
A coffee dessert, yes, you know it's good news
But you'll have to have them all pulled out
After the Savoy truffle
Yes, you'll have to have them all pulled out
After the Savoy truffle
