My love don't give me presents
I know that she's no peasant
Only ever has to give me
Love forever and forever
My love don't give me presents

Turn me on when I get lonely
People tell me that she's only fooling
I know she isn't

She don't give boys the eye
She hates to see me cry
She is happy just to hear me
Say that I will never leave her
She don't give boys the eye

She will never make me jealous
Gives me all her time as well as loving
Don't ask me why

She's a woman who understands
She's a woman who loves her man

My love don't give me presents
I know that she's no peasant

Only ever has to give me
Love forever and forever
My love don't give me presents

Turn me on when I get lonely
People tell me that she's only fooling
I know she isn't
Woo oo oo, woo

She's a woman who understands
She's a woman who loves her man

She don't give boys the eye
She hates to see me cry
She is happy just to hear me
Say that I will never leave her

She don't give boys the eye

She will never make me jealous
Gives me all her time as well as loving
Don't ask me why

She's a woman, she's a woman
She's a woman, she's a woman
She's a woman
