Beatles - Step Inside Love

=====

(John Lennon, Paul McCartney)

Lead Vocal: Paul McCartney

Step inside love and stay

Step inside love

Step inside love

Step inside love

I want you to stay

You look tired, love

Let me turn down the light

Come in out of the cold

Rest your head on my shoulder

And kiss me tonight

We are together

Now and forever, come my way

Step inside love and stay

Step inside love

Step inside love

Step inside love

I want you to stay

[Joe Prairies and the Prairie Wallflowers.

Los Paranoias.

Ha ha!]

Los Paranoias

(John Lennon, Paul McCartney, George Harrison, Ringo Starr)

Lead Vocal: Paul McCartney

Los Paranoias invites you to (I can't make it)

To just enjoy us (I can't make it)

Come on you can do it baby

Come on and join Los Paranoias

Just enjoy us
Los Paranoias
Oh Los Paranoias
Come on and enjoy us
Harmony

Los Paranoias
Come on and enjoy us
We're Los Paranoias
We're here to sing for you
And whatever you want us to
We will sing a little song for you
Los Paranoias (fade out)
