If you leave me, baby  
I don't know what I'll do  
I guess I would die, sweetheart  
If I don't get a kiss from you

Take out some insurance on me, baby  
Take out some insurance on me, baby  
Well, if you ever, ever say goodbye  
I'm gonna go right home and die

Oh, if you want me, baby  
You've gotta come to me  
Mm, I'm just like a stump in a field  
You just can't move me

Take out some insurance on me, baby  
Ooh, some insurance on me, baby  
Well, if you ever, ever say goodbye  
I'm gonna go right home and die

Well, if you want me, baby  
Mm, you've gotta come to me  
I'm just like a stump in a field  
You just can't move me

Take out some insurance on me, baby  
Mm, some insurance on me, baby  
Well, if you ever, ever say goodbye  
I'm gonna go right home and die

Well, if you leave me, baby  
I don't know what I'll do  
I guess I would die, sweetheart  
If I don't get a kiss from you

Take out some insurance on me, baby  
Mm, some god damned insurance on me, baby  
If you ever, ever say goodbye  
I'm gonna go right home and die
