Try to see it my way
Do I have to keep on talking
Till I can't go on?

While you see it your way
Run the risk of knowing that
Our love may soon be gone
We can work it out
We can work it out

Think of what you're saying
You can get it wrong and still
You think that it's all right

Think of what I'm saying
We can work it out and
Get it straight or say good night
We can work it out
We can work it out

Life is very short
And there's no time
For fussing and fighting, my friend

I have always thought
That it's a crime
So I will ask you once again
Try to see it my way
Only time will tell
If I am right or I am wrong

While you see it your way
There's a chance that we might
Fall apart before too long
We can work it out
We can work it out

Life is very short
And there's no time
For fussing and fighting, my friend

I have always thought

That it's a crime
So I will ask you once again

Try to see it my way
Only time will tell
If I am right or I am wrong

While you see it your way
There's a chance that we might
Fall apart before too long
We can work it out
We can work it out
