Why why can't we love again?  
Why why are you shy on love?  
If you only knew how much I love you  
Why can't you love me again?

Why why don't you open your heart?  
Why why are we so far apart?  
If you only knew how much I love you  
Why can't you love me again?

I just want your loving arms around me, yeah  
I got to find a way to make you take me back

Baby won't you tell me  
Why why why why are we so far apart?  
Why why don't you open your heart?  
If you only knew how much I love you  
Why can't you love me again?

I just want your loving arms around me, yeah  
I got to find a way to make you take me back

Baby, won't you tell me  
Why why why why are we so far apart?  
Why why don't you open your heart?  
If you only knew how much I love you  
Why can't you love me?  
Why can't you love me?  
Why can't you love me again?
