What would you think if I sang out of tune
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key

Oh, I get by with a little help from my friends
Mmm, I get high with a little help from my friends
Mmm, gonna try with a little help from my friends

What do I do when my love is away
Does it worry you to be alone?
How do I feel by the end of the day
Are you sad because you're on your own?

No, I get by with a little help from my friends
Mmm, get high with a little help from my friends
Mmm, gonna try with a little help from my friends

Do you need anybody?
I need somebody to love
Could it be anybody?

I want somebody to love

Would you believe in a love at first sight?
Yes, I'm certain that it happens all the time
What do you see when you turn out the light?
I can't tell you but I know it's mine

Oh, I get by with a little help from my friends
Mmm, get high with a little help from my friends
Oh, I'm gonna try with a little help from my friends

Do you need anybody?
I just need someone to love
Could it be anybody?
I want somebody to love

Oh, I get by with a little help from my friends
Mmm, gonna try with a little help from my friends
Oh, I get high with a little help from my friends
Yes, I get by with a little help from my friends

With a little help from my friends
