Though you've gone away this morning
You'll be back again tonight
Telling me there'll be no next time
If I just don't treat you right

You'll never leave me and you know it's true
'Cause you like me too much and I like you

You've tried before to leave me
But you haven't got the nerve
To walk out and make me lonely
Which is all that I deserve

You'll never leave me and you know it's true
'Cause you like me too much and I like you

I really do
And it's nice when you believe me
If you leave me

I will follow you
And bring you back where you belong
'Cause I couldn't really stand it
I'd admit that I was wrong

I wouldn't let you leave me 'cause it's true
'Cause you like me too much and I like you

'Cause you like me too much and I like you
I really do
And it's nice when you believe me
If you leave me

I will follow you
And bring you back where you belong
'Cause I couldn't really stand it
I'd admit that I was wrong

I wouldn't let you leave me 'cause it's true
'Cause you like me too much and I like you
'Cause you like me too much and I like you
