Well darling all the night  
You'll be mine and I know  
You'll be mine until you die  
You'll be mine

And so  
(And so)  
All the night  
(All the night)  
You'll be mine  
(You'll be mine)  
You'll be mine  
And the stars  
(And the stars)  
Always shine  
(Always shine)  
You'll be mine

My darling, when you brought me  
That toast the other morning  
I, I looked into your eyes  
And I could see a nice little healthy eyeball  
And I loved you like I never done  
Like I've never done before!

And the stars  
(And the stars)  
Always shine  
(Always shine)  
And you'll be mine  
[Incomprehensible] you'll be mine  
You'll be mine  
At the start  
(At the start)  
Oh yes, you'll be
