Give it to me now
Just shake that!
Ahh, baby!
We gonna break that
Come on, come on
You know I like that
Yea!

You're a girl
And I'm a boy
So let's dance, dance, dance
Just dance, dance, dance

You're a girl
And I'm a boy
So let's dance, dance, dance
Just dance, dance, dance

I have seen you in the papers
And I've watched you on the screen
Got no time to waste my baby
Now I want you here with me
If I slept this living moment
All I dream about is you
Holding me so close, so tightly
On a dancefloor made for two

You're a girl
And I'm a boy
So let's dance, dance, dance
Just dance, dance, dance

You're a girl
And I'm a boy
So let's dance, dance, dance
Just dance, dance, dance

Give it to me now
Come on, come on
Give it to me now

Move your body like a snake girl
Give me everything you got
Sweat is dripping down your body
Girl, you making me feel hot
All I want to do is feel you
Hold you, squeeze you, girl, so tight
Now I'm with you on the dancefloor
We both know this is the night

You're a girl
And I'm a boy
So let's dance, dance, dance
Just dance, dance, dance

You're a girl
And I'm a boy
So let's dance, dance, dance
Just dance, dance, dance

Come on, come on
You know I like that
Yea!

I'm a girl
And you're a boy
So let's dance, dance, dance
Just dance, dance, dance

I'm a girl
And you're a boy
So let's dance, dance, dance
Just dance, dance, dance

Oh, don't you know
You're the one for me, oh baby
Baby, oh baby
Baby

I'm a girl
And I'm a boy
So let's dance, dance, dance
Just dance, dance, dance

I'm a girl
And I'm a boy
So let's dance, dance, dance
Just dance, dance, dance

I'm a girl
And I'm a boy
So let's dance, dance, dance

Just dance, dance, dance

I'm a girl

And I'm a boy

So let's dance, dance, dance

Just dance, dance, dance
