Walking through yesterdays  
Sorrows I need to stay whole  
I've got no place left to go  
Will I ever be home... no  
Misplaced affections  
In all the wrong places you know  
You cannot make love will I ever be whole... no

Answer me, tell me I'm wrong  
That you can't help me  
Answer me, tell me I'm not losing hope

We're calling for grace for Katie  
Falling so terrible short  
And I wanna catch her  
Confused and alone  
I find her hard to handle  
Why don't you walk out the door  
I know it's better  
If you would have no ride home  
Where hear ache has lived so long

Chasing your dreams in the dark  
While your screaming out loud  
But nothing is making a sound  
Do you need to cry out ohhh  
If you really love me then  
Why not tell me to stand tall  
And help life my face off the floor  
Will I ever be whole... no
