Belle:

If I could give a gift to you
to hold to your heart dear
IÂ'd give the Christmas memories
to hold throughout the year.

And when you have them all, I think
thereÂ's something more IÂ'd bring
the gift of Christmas laughter now
so you could learn to singÂ...

la la la la, itÂ's Christmas time
memories everywhere
singing of hope, peace to mankind
and love is in the air.

And every foolish notion leads to feelings that might
start
to make the prayers the children pray
come true in all our heartsÂ...

Beast:

If you could give a gift to me
to hold to my soul dear
IÂ'd love to see you smile upon my face,
without a fear

And when youÂ've smiled your fear away
thereÂ's something more youÂ'd bring
the gift of gifts, remembering
how I first learned to singÂ...

Both:

la la la la, itÂ's Christmas time
memories everywhere
singing of hope, peace to mankind
and love is in the air.

And every foolish notion leads to feelings that might
start
to make the prayers the children pray
come true in all our heartsÂ...
