

## Beauty To Ashes

### "Circumnavigation"

Sometimes I want to weigh anchor  
Raise her out of the dirt  
Drifting off on a tradewind  
I'll circumnavigate earth

By surprise I will take you  
Take you with me  
Your security's frail

Your walls I will break through  
What a storm that would raise  
And on that rage I would sail  
Oh the ghost that I've raised

Into your heartland I'll raid

Sometimes I just want to lift off  
Raise on magnificent wings  
Gliding off on a tradewind  
I'll circumnavigate earth

High in your ivory tower  
You've drawn your bridges in vain  
Oh there is no place to hide

Your walls we will break through  
What a storm that will raise  
And on that rage we will sail

Oh the ghost that I've raised  
And you'll raise your veil
