It is true you say,  
That you will return someday  
To bring forth your glory, and all your majesty  
It is true you say that we will return home that day  
To be in your presence, and sit at your right side  
The battle has begun  
I put my faith in what's unseen  
And you Lord will lead us in  
Soft spoken words that are said with power

In this silence to bring your hurt down  
My knees in the dirt  
My face to the ground  
In this silence I fight,  
And watch walls fall down  
We will fight for our lives  
We will fight for their lives  
We will fight for the truth  
We will fight in your name
