I saw the future  
Yesterday— up ahead

Driving in circles  
Ways of avoiding

Revolution on my mind  
Ground to make a stand upon

I'm slowly dying  
Weight of willpower

Arrow of time  
Revolve around

Revolution on my mind  
A ground to make a stand upon

Keeps me from drowning  
I know my speed

I know I'll never  
Don't you ask why

Revolution on my mind  
A ground to make a stand upon couldn't keep track  
Shows me her back

We are bound to find  
Roads, you left behind you

Self-action take me there  
From this sea .....

You take my hand  
Will make you bend

So irreversably straight  
Thoughts, I liberate

Self-action take me there

From this sea of despair

This liferaft I make  
And the curves that I take

Get a reason across  
I remember I was

Self-action take me there  
From this sea of despair
