I swim  
With the sharks  
Playing in salt water  
It's cold and always dark  
I am  
All alone  
To live life on terms to call my own

One day  
I went too far  
Swam in shark-finned waters  
In their net I was caught  
They stared at me so cold  
Their lives without meaning  
Their minds never grow

You'd say I ran away  
While you stayed to play  
With facades in shallow graves  
This is not my scene  
It's your thing  
To be the life of every moment  
While I live inside my dreams

Moments like these  
Revealing the true me  
Moments like these  
Seeing so clearly

I hide with the ghost  
Playing in the darkness  
It's what i love the most  
I am all alone  
Enjoying the silence  
Enjoying my home

You'd say I ran away  
While you stayed to play  
With facades in shallow graves  
This is not my scene  
It's your thing

To be the life of every moment  
While I live inside my dreams

Moments like these  
Revealing the true me  
Moments like these  
Seeing so clearly

Moments like these  
Revealing the true me  
Moments like these  
A side you will never see
