

Beauty To Ashes

"My Eurydice"

The love of God will change you,
Bringing you to your knees
The love of God will mold you,
And this is what you need
Appointed in His mercy
Deflecting strife and hatred
For always He will guard you
And He loves me
Anticipate your return

For on that day, I will go home
Deception lies and sorrow, suicide, and mutilation
I've got the key subscription,
To ending your depression,
Angelic eyes of hatred
For always He will guard you,
Because he loves me
Forever loved.
