

## **Beauty To Ashes "Vertigo"**

We have been made victim to a neon paradigm  
Systematic prescription to burn in our own eyes  
Wastelands to the millions  
Cemetery made of gold  
Innocence romanticized on channels we all know  
Wage war, state the disclaimer.  
No more.

Conditioned by the masses to make us feel alright

We tolerate a visual state  
It's time to sterilize  
Fancy things and diet drinks we don't need any more  
Re-educate, our present state and make us feel alright.

Wage war, state the disclaimer.  
Deny a new form of lies.

Make it stop killing me now.
