Another time, forgetting memories  
That dream my nights to day  
Shadow hands that trace in circles  
Feeling with no resolution  
Always half a turn away  
From being right here, right now  
Keep spinning  
And I'll stay  
Out of control  
Spinning and spinning

Impossible  
I will only dream of you  
Impossible  
I will only dream of you

Missing i keep missing  
I keep sleeping  
I keep hating  
I keep waiting  
I keep needing  
Without cause or reason  
To be justified  
Something changes  
Every time I turn to you  
I turn away  
I turn inside  
I turn into  
An empty page  
Just waiting  
For the words  
Waiting  
For the worst  
Spinning and spinning

Impossible  
I will only dream of you  
Impossible  
I will only dream of you

Impossible

I will only dream of you  
Impossible  
I will only dream of you  
I will only dream of you  
I will only dream of you  
Spinning and spinning  
I will only dream of you  
Spinning and spinning  
I will only dream of you
