

Beauty's Confusion "Control"

Visit "[Control](#)" on MotoLyrics.com

I'm waiting for you to be honest
I'm waiting for your explanation
Seems like i'm waiting forever
Cause all you have fed me are lies
I don't understand people like you
I don't understand your objective
Seems like you live to destroy me
Sadistic hypocrisy

You put me through hell and i let you
Before i learned how to speak

Drove me mad with desire
Took advantage cause i was too weak
Now the confusion has left me
You're insane if you think i'll give in
Solitude always kept me safe
With the walls i build within

All the years, been searching for something
To open my eyes
All the tears, been raining down
The answer is inside the lie
