There were times that i remember
When we'd talk about forever
And it all seemed so clear
Paying rent was my only fear
While staying here

These days memories start to fade and
Few are made to replaced
It's only when you're here
They all seem to disappear

You're lying beside me
Stop fighting

This won't last, i won't have this ending
Defend me

I try to chase a new beginning
Only to catch another fight
If only i could explain
Find the word right words
So you'd stay

You're lying beside me
Stop fighting
This won't last, i won't have this ending
Defend me
