I saw the future
Yesterdayç£— up ahead

Driving in circles
Ways of avoiding

Revolution on my mind
Ground to make a stand upon

Iç£Ž slowly dying
Weight of willpower

Arrow of time
Revolve around

Revolution on my mind
A ground to make a stand upon

Keeps me from drowning
I know my speed

I know Iç£I never
Donç£~ you ask why

Revolution on my mind
A ground to make a stand upon couldnç£~ keep track
Shows me her back

We are bound to find
Roads, you left behind you

Self-action take me there
From this sea

You take my hand
Will make you bend

So irreversably straight
Thoughts, I liberate

Self-action take me there
From this sea of despair

This liferaft I make
And the curves that I take

Get a reason across
I remember I was

Self-action take me there
From this sea of despair
