I'll black the temper
Never seen the face of God
Sweet Mr. Jesus
Infected on my skin

Demons surround you
I'm crawlin' on the ground
Shame for another
Another taste of life

It's alive, oh, everybody
It's alive, oh, the creepers call me
It's alive, oh, everybody
It's alive, oh, the creepers call me

Dead parts surround you
Draw me forever black
My creature core is
Is crawlin' on the ground

Calling another
Unholy wall of sound
Say that you love it
Don't make me turn it down

It's alive, oh, everybody
It's alive, oh, the creepers call me
It's alive, oh, everybody
It's alive, oh, the creepers call me

Born to kill
Black, blue, and bloody fingers
Hong Kong hell
Been time to face this wheel

Now filthy smooth
I'll tell the pussy cats
And ultra pain
Gonna blow it all away

It's alive, oh, everybody
It's alive, oh, the creepers call me

It's alive, oh, everybody
It's alive, oh, the creepers call me
