I thought I told you that we won't stop;
I thought I told you that we won't stop
I thought I told you that we won't stop;
I thought I told you that we won't stop - eh eh, eh eh
I thought I told you that we won't stop;
I thought I told you that we won't stop - uh-huh
I thought I told you that we won't stop;
I thought I told you that we won't stop - check it out

[Notorious B.I.G.] + (Puff Daddy)

The Williest - what? - bitches be the silliest
The more I smoke, the smaller the Phillie gets
Room 112, where the players dwell
and stash more cash than Burt Videl(?), inhale
Make you feel good like Tony Toni Tone (*feels good*)
Dick up in your +Middle+ like Monie (yes)
She don't know but she settin up to blow me (yes)
Should try the style, fly up North with a homey (yes)
Escada, Don Dada, player, stay splurgin
Game so tight they call it virgin

* samples from B.I.G. saying "Room 112, where the players dwell"

[112]

Ohhhh I, need to know, where we stand
Do we share this special thing called love *
I know I do, what about you
I just can't get enough of your love * I need you in my
life

Where do we go, what do I do
I can't live without your love
Thinkin of you * makes me feel

Like I'm the only one for you

Girl I want, to be with you
No one else, only you
Why can't we just make it happen
Baby * I need you in my life

Every time I'm with you
Never want it to come to an end
(Puffy: Thought I told you that we won't stop)
You always make me so happy
You'll always have a place in my heart - I need you in
my life *

Where do we go, what do I do
Cause I can't live without your love
Thinkin of you, makes me feel *
Like I'm the only one for you

[Mase] + (Puff Daddy)
Now you can hum all you want to, cum all you want to
Money I'ma front you, girl I wanna flaunt you (that's
right)
I'ma always want you when nobody wants you (uh-huh)
If I die now my love'll still haunt you (c'mon)
Mase ain't the one that'll pay for your phone (Mase ain't
the one)
Mase be the one that'll take you home (that's right)
Even though I'm not the one that gave you the stone
(yeah)
On your days alone * I can make you moan
Everybody know I got more bounce than the ounce
Bad Boy get more money than you can count
Why I'm buyin things you can't even pronounce
I'd do it to you cats for a large amount * (heheh)
And when the beef come, you know where it'll be found
Why I'll be around 'til the winner is announced *
(The winner is..) So there ya go girl with thousands in
ya palms
Why you can't let bygones be bygones * (Goodfellas)

[112]
Where do we go, what must I do
If I can't live without your love *
Thinkin of you, makes me feel baby
Like I'm the only one for you *

Girl I want to, be with you
No one else, only you
Why can't we just make it happen
Baby, I need you in my life
