I saw you in your display
I just stop and stared
As if I'd seen a carwreck
A sickening thing to view
Her with you
But I couldn't get my feet
To take a step
And I can't feel my bones

[Chorus:]
I'm so jealous
So jealous
Completely envious
I'm naked
I'm restless
I'm bruised
I'm jealous
So jealous
But I will never
Confess to you

As soon as you saw my face
You threw a wave
Are you really that content?
Is my mouth still open wide
Cuz I feel so dry
This whole thing
Is sure to leave a dent
Why aren't you alone?

[Chorus]

Just get me out
Of this crash
And make me disappear
I'm jealous
So jealous

I'm naked
I'm battered
Frustrated
Left shattered

I'm restless
I'm unfit
Confused

I'm jealous
So jealous
But I will never
Confess to you
But I will never confess
