Downtown, kicking round  
Aint no way to go get me down  
We are all dancing at the biking lounge  
Smoking spinsters, swinging sounds  
All right, Iâ€™m a little uptight  
Gonna need my shot tonight  
One drink and Iâ€™ll be alright  
Thatâ€™s me shining in the party lights

But you donâ€™t know me  
And you donâ€™t own me

Its only when I dance  
That you can see the real me  
Itâ€™s only when I dance  
The lights go down and shine on me  
Its only when I dance

Downtown til the lights go down  
Smoking hidden with the real get down  
Weâ€™re living wild and free  
Never thought itâ€™s the life for me  
Just moving to a whole new beat  
Got the world under my feet

You warm me with your naked eyes  
Your desireâ€™s my paradise

And you donâ€™t know me  
And you donâ€™t own me

Its only when I dance  
That you can see the real me  
Itâ€™s only when I dance  
The lights go down and shine on me  
Its only when I dance  
Its only when I dance

Its only when I dance  
That you can see the real me  
Its only when I dance  
The lights go down and shine on me

Its only when I dance  
Its only when I dance  
Its only when I dance  
Its only when I dance  
The lights go down and shine on me  
Its only when I dance  
Its only when I dance  
Its only when I dance
