Smokin on a d  
Makin' the...

Burn all the fuel  
Die like a mule  
Find yourself in a pickup truck  
Loading up a nine  
Wasting any slime who tries to step  
Word to the mother

It's just a grudge  
It's just a grudge  
It's just a little grudge  
It's just a grudge  
It's just a grudge  
It's just a ass-kiss payback

It's a grudge  
It's just a grudge  
It's just a little grudge  
It's just a grudge  
It's just a grudge  
Just a asssss.....

Floating through the ghetto like guillotine  
Waiting to come down, down on the scene  
The second guessing sleaze  
Damned to feed the flatulating brotherhood  
Puffing on a blunt

It's just a grudge  
It's just a grudge  
It's just a little grudge  
It's just a grudge  
It's just a grudge  
It's just a grudge  
It's just a ass-kiss payback  
It's just a grudge

It's just a grudge  
It's just a little grudge  
It's just a grudge

It's just a grudge  
It's just a...  
It's just a asssssssuck

The haunches of the pigs  
The uniformed legions will conspire  
Slacking off is nil  
The point is now to kill  
Grind the whining bastards in their tracks  
New jack  
Go, baby

It's just a grudge  
It's just a grudge  
It's just a little grudge  
It's just a grudge  
It's just a grudge  
It's just ahh...  
It's just a asskizz payback

It's just a grudge  
It's just a grudge  
It's just a little grudge  
It's just a grudge  
It's just a grudge  
It's just a...  
It's just a asssssssuck  
It's just a grudge, it's just a little grudge

[repeated]  
It's just a payback [repeated, etc. + various  
mutterings]  
Kiss! kiss! kiss! [etc. + screaming, kissing, moaning,  
and hissing]
