Every time I think of you,
I get a shot right through into a bolt of blue.
It's no problem of mine, but it's a problem I find
Living a life that I can't leave behind.

There's no sense in telling me;
The wisdom of a fool won't set you free.
That's just the way that it goes and it's what nobody
knows,
And every day my confusion grows

(chorus:)
Every time I see you falling, I
Get down on my knees and pray;
I'm waiting for the final moment you
Say the words that I can't say.

I'm not sure what this could mean.
I don't think you're what you seem.
I do admit to myself that if I had someone else
They'd never see just what we're meant to be.

(repeat chorus)

Every time I see you falling I'll
Get down on my knees and pray
Waiting for the final moment you'll
Say the words that I can't say.
