Ahhh
Ahhh
Ahhh....

Ahhh, waiting for the night to come
Ahhh, there's a hundred dead cities outside
Ahhh, waiting for the night to come
there's a hundred dead cities outside

Ahhh, waiting for the night to come
Ahhh, there's a hundred dead cities outside
Ahh

Hurt a little, move a little, turn a little
break a little, lose a little

Move a little, turn a little
break a little, hurt a little

Move a little, turn a little
break a little, lose a little

Move a little, turn a little
break a little, hurt a little
move a little

I'm bad for this place
it's not just..
I go on a little
you're a bad for this place
it's not your call
I don't know this old rhythm

Lose a little, move a little,
turn a little, break a little
hurt a little, move a little
turn a little
break a little, lose a little

3 x
Move a little, turn a little

break a little, hurt a little
Move a little, turn a little
break a little, lose a little

Move a little, turn a little
break a little, hurt a little
move a little
