I've seen the end of the day come too soon  
Not a lot to say, not a lot to do  
You played the game, you owe nothing to yourself  
Rest a day, for tomorrow you can't tell  
You can't tell

I've seen the end of the day come too late  
Seen the love you had turning into hate  
Had to act like I didn't even care  
But I did so I got stranded standing there  
Standing there

It's nothing that I haven't seen before  
But it still kills me like it did before  
No it's nothing that I haven't seen before  
But it still kills me like it did before

I've seen the end of the day come too soon  
Like the prison dogs they set out after you  
You owe nothing to the past but wasted time  
To serve a sentence that was only in your mind  
In your mind

It's nothing that I haven't seen before  
But it still kills me like it did before  
No it's nothing that I haven't seen before
