Two white horses in a line  
Two white horses in a line  
Two white horses in a line  
Carrying me to my burying ground

Some need diamonds, some need love  
Some need cards, some need luck  
Some need dollar bills lining their clothes  
All I need is, all I need is

Two white horses in a line  
Two white horses in a line  
Two white horses in a line  
Taking me for my farewell ride

Some may say this might be your last farewell ride  
Some may say this might be your last farewell ride

I don't see the face of kindness  
And I don't hear the mission bells  
I don't smell the morning roses  
All I see is, all I see is

Two white horses in a line  
Two white horses in a line  
Two white horses in a line  
Carrying me to my burying ground

Some may say this might be your last farewell ride  
Some may say this might be your last farewell ride
