He's a mighty good leader
He's a mighty good leader
He's a mighty good leader
All the way
All the way, lord
From up to heaven
He's a mighty good leader
All the way

He led my mother
He led my mother
He led my mother
All the way
All the way, lord

From up to heaven
He led my mother
All the way

He's a mighty good leader
He's a mighty good leader
He's a mighty good leader
All the way
All the way, lord
From up to heaven
He's a mighty good leader
All the way
