It takes a backwash man to sing a backwash soul
Like a fryin' pan when the fire's gone
Drivin' my pig while the bands takin' pictures in the
grass
And my radio's smashed

And I like pianos in the evenin' sun
Draggin' my heals 'til my day is done
Saturday night in the captain's clothes
Tender horns blowin' when my jewelry froze

Yo soy un disco quebrado
Yo tengo chicle en mi cerebro

I can't believe my way back when
My Cadillac pants goin' much to fast
Karaoke weekend at the suicide shack
Community service and I'm still the mack

Shocked my finger, spicin' my hand
I've been spreadin' disease all across the land
Beautiful air conditioned, sittin' in the kitchen
Wishin' I was livin' like a hit man

Face down in the guarantees
Jaundiced honchos gettin' busy with ease
Because I get down, I get down
I get down all the way

Yo soy un disco quebrado
Yo tengo chicle en mi cerebro

I'm a ass, ass, ass
I'm, I'm, I'm, I'm a ass, ass, ass

Sawdust songs of the plaid bartenders
Western Unions of the country westerns
Silver foxes looking for romance
In the chain smoke Kansas flash dance ass pants

And you got the hotwax residues
You never lose in your razor blade shoes

Stealin' pesos out of my brain
Hazard signs down the Alamo lanes

Radar systems piercin' the souls
You never get caught with the wax so rotten
All my days I got the grizzly words
Hijacked flavors that I'm flippin' like birds

Yo soy un disco quebrado
Yo tengo chicle en mi cerebro

Who are you?
I'm the enchanting wizard of rhythm
Why did you come here?
I came here to tell you
About the rhythms of the universe
