(insert various variations of lead-in b.s., for example:  
"i was walking down glendale blvd. one night. someone  
Was playing 'i wanna sex you up' out of their volvo, and  
That's when I met her: debra.....)

[spoken] ...just chill....

I met you at j.c. penney  
I think your nametag it said jenny  
I cold step to you  
With a fresh pack of gum  
Somehow I knew  
That you were lookin for some  
Like a fruit that's ripe for the pickin  
I wanna do ya like that zankou chicken  
'cause you got a thing  
That I'm tryin to get with  
That I'm tryin to get with  
Only you..

I wanna get with you  
Only you  
And your sister, debra [x2]

I picked you up late at night after work  
Baby, step into my hyundai  
I said gonna take you out to glendale  
Mmmmmm gonna take you out  
For a real good meal  
Our eyes did meet, you know I was packin in

Ain't no time wastin no time  
Gettin to know, know each other  
'cause you got a thing that I'm tryin to get with  
That I'm tryin to get with  
Only you

I wanna get with you  
Only you  
And your sister, debra [x2]

[spoken]

Girl, I only wanna play with you  
I only wanna get with you  
And your sister....debra  
Debra? --i think that was her name

I wanna get with you  
I'm gonna take you up to glendale  
I'm gonna take you,  
Take you for a real good meal  
And when our eyes did meet  
You knew I was packin heat  
'cause there ain't no use in wastin no time  
Gettin to know each other

I wanna get with you  
Only you  
And your sister, debra [x2]

(girl, I wanna hose you off)

...nobody has to know  
We'll keep it on the down-low  
No use in wastin no time  
Tryin to get to know each other  
Ow ow ow ow, etc.
