I don't want no cryin'  
All upon my sleeve  
I just want somebody  
Who got no place to be

You call me up on Tuesday  
I'll be stuck on Sunday night  
Lookin' for some good things  
To make me feel alright

When I snap my fingers  
When I walk the line  
When I get my money  
I'll be killin' time  
Time is killin' something  
It's just too small to care  
Runnin' through the jungle  
Lookin' for your hair

Someone's talkin' backwards  
Lookin' for a fight  
Puttin' on a lampshade  
'Cause you're shinin' way too bright

I don't want no cryin'  
I don't want no pain  
I don't want no lonesome life
