Touch me I'm cold, unable to control
Touch me I'm golden and wild as the wind blows
And tumbling, tumbling, don't go fascination

If just for tonight, darling
Let's get lost
If just for tonight, darling
Let's get lost

Let me come closer, I'm not your shadow
With our eyes shielding from the oncoming counts
It's not hard for us to say what we should not

If just for tonight, darling
Let's get lost
Just for tonight, darling
Let's get lost

Touch me I'm cold, unable to control
Touch me I'm golden and wild as the wind blows
And tumbling, tumbling, don't go fascination

If just for tonight, darling
Let's get lost
Just for tonight, darling
Let's get lost

If just for tonight, darling
Let's get lost

Let's get lost
Let's get lost
Let's get lost
Let's get lost
