QuÃ© onda guero?

QuÃ© onda Jose?

See the vegetable man
In the vegetable van
With a horn that's honking
Like a mariachi band
In the middle of the street
People gather around
Put the dollar-dollar-dollar in the can
Ay wey!, que onda?
TJ cowboys hang around
Sleeping in the sidewalk
With a Burger King crown
Never wake 'em up
Mas cerveza
Til the rooster crows
Vatos de gallos
QuÃ© onda guero?
QuÃ© onda guero?
QuÃ© onda guero?
QuÃ© onda guero?

Mano Blancos roll with crowbars
Singing rancheras on cheap guitars
Abuelitas with plastic bags
Walking to the church with the Spanish candles
Dirty borracho says 'que putas!'
Andale, Joto, your popsicle's melting
Run better run, da doo run run
Mara Salvatrucha in the midnight sun
Guero, where are you going?
QuÃ© onda guero?
Guero, where are you going?
QuÃ© onda gÃ¼ero?

Rampart boys with loaded rifles
Guatemalan soccer ball instant replays
Mango ladies, vendedoras
And a busstop singing
Banda macho chorus

QuÃ© onda guero?
A donde vayas
QuÃ© onda guero?
A donde vayas

Â¿Y donde encontrastes ese? en un hoyo
Alla en la Pico
Hey vamos a jugar futbol ahÃ¡ en el Griffith park
La Pico and Vermont
La locura
Yeah now I'm going to LACC
I'm taking a ceramics class
See the vegetable man

James Joyce
Michael Bolton

QuÃ© onda guero, where are you going?
QuÃ© onda guero, where are you going?

Hey what's up guero?
"You doing pushups?"
No te veo guero!
El guero!
Que Pasa
Otra vero guero
I dunno I saw a puppet at Tang's
With a mullet and a popsicle.

Hey Guero
Que locura!
