Hey now, girl, what's the matter with me?
We're on a back road, driving to sea
Straight as a razor, kicking up dust
Digging through ditches and falling to rust

Taking me far
Far as a rental car can go
Yeah yeah yeah, yeah yeah yeah
Yeah yeah yeah, yeah yeah yeah

La la la music
La la la music

Hey now, girl, at the end of the road
Down where the reaper is walking alone
Singing a death knell, clapping along
At the end of the night there's a road we'll be on

Taking me far
Far as a rental car can go
Yeah yeah yeah, yeah yeah yeah
Yeah yeah yeah, yeah yeah yeah

La la la music
La la la music

La la la music
La la la music
La la la music
La la la music

Straight as a razor, kicking up dust
Digging through ditches and falling to rust

Taking me far
Far as a rental car can go
Yeah yeah yeah, yeah yeah yeah
Yeah yeah yeah, yeah yeah yeah

Yeah yeah yeah, yeah yeah yeah
Yeah yeah yeah, yeah yeah yeah
