"Round The Bend"

We don't have to worry
Life goes where it does
Faster than a bullet
From an empty gun

Turn yourself over
Loose change we could spend
Grinding down diamonds
Round, round, round the bend
Round, round, round the bend
People pushing harder
Up against themselves
Make their daggers sharper
Than their faces tell

Babe, its your time now
Loose change we could spend
Where you are going
Round, round, round the bend
Round, round, round the bend
