Tell me where you want me to go
If I'm gone then I'll get there soon
Tell me what you want me to be
If I've been there split in two
Tell me what you want me to say
Then I'll put my tongue away

Tell me what you want me to see
With my eyes so grizzly gray

You're insane
Got no name
The lion's tame
It's all the same
Got no brain
The lion's tame

Tell me where you want me to go
If I'm gone then I'll get there soon
Tell me what you want me to be
If I've been there split in two

You're insane
Got no name
The lion's tame
It's all the same
Got no brain
Lion's tame
