I got the fucked up blues  
I got the fucked up blues  
Lord what can you do  
About the fuckin' fucked up blues

Well the beans have been bakin'  
Upon the camel's hump  
Like a voodoo curse in an old lady's purse  
Confetti on my grave

I got the fucked up blues  
I got the fucked up blues  
Lord what can you do  
About the fuckin' fucked up blues

I got the fucked up blues  
I got the fucked up blues  
Lord what can you do  
About the fuckin' fucked up blues

I woke up on the futon  
And my boots were on fire
