Aww yeah
That's the holiday...
Rum-pum-pum-pump
That's the...
Beeyatchhh
... holiday robot funk
Rum-pum-pum-pump rum-pum-pum-pump

Baruch Atah Adonei Elohenu Melech Ha Olom

Right about now, we're gonna drop some...
Rum-pum-pum-pump
... Hanukkah science
Yeah uh, uh, this is it..

I press a button make the gentlemen cry
I rock a beat to make the hamburger fry
And I funk this joint and shake that holiday gear
The system boomin' strictly Pioneer
Under the rear
Bringin' a tear

I turn it out in a holiday mode
Safe like a seatbelt in a Volvo
Keepin' it real like a spray snow tree
We'll shut it down harmoniously
Rockin' softly
8-0-8 beats

Pimpin' is his game

I get the shit lit like a menorah
This funk's so illegal I think I might need a lawyer
I'm not a firestarter, but my beats gets hotter
Get 'em out like an allowance, footwear

I rock with new balance
Hanukkah pimps on it, check
Check the mic, I rock the pimp
No sweat
Meals are mackin', tracks jackin'
Ejaculating like buffet tables and record labels
Willin' and able, to bring my funk in the place it needs
be
Lifestyles of the slick and sleazy
Spin 'em around, play around, like a dreidel
Kinda science that puts ya back into the cradle
Oh my shit, sometimes this track is so poignant
Somebody please pass me some kinda ointment
Put these rhymes together like a thief
Clear up your nose like a eucalyptus leaf
Droppin' science so you don't even know what hit ya
Next thing you know you're 13 gettin' a Bar Mitzvah

Pimpin' is his game
