THRESHOLD-

This is the beginning of the song.  
Iâ€™m hearing voices, animal noises  
CrÃƒme de la crÃƒme.  
Yes, Iâ€™m a little dead, still  
Iâ€™m reaching my threshold  
Staring out into the sublime.  
My bodyâ€™s stupid, my stereo putrid  
Spilling out music into raw sewage  
Reaching my threshold  
Staring out into the sublime  
My threshold  
My threshold  
Reaching my threshold.  
Iâ€™m hearing voices, animal noises  
CrÃƒme de la crÃƒme.  
Yes, Iâ€™m a little dead, still  
Iâ€™m reaching my threshold  
Staring out into the sublime  
Threshold  
I explode  
Reaching my threshold  
Threshold  
My threshold  
My threshold.
