Now I'm comin' over, see me down at the station
By the lane with my hands in my pocket
Jinglin' a wish coin that I stole from a fountain
That was drownin' all the cares in the world though

When I gettin older, climbin' up
On the back porch fence, just to see the dogs runnin'
Ring and a question and my shiverin'
Voice is singin' through a crack in the window

Na, na, na, na, na, I better go it alone
Na, na, na, na, na, I better go it alone
Na, na, na, na, na

Down on the corner, see me standin'
On a makeshift home with a dust storm comin'
In a long black shadow, pull the hammer
From a coal mine down where your daddy was workin'

Comb my hair back, strike a match
On the bathroom wall where my number is written
Drivin' on a sidewalk, lookin' back
At the sky, it's burnin' in the rear view mirror

Na, na, na, na, na, I better go it alone
Na, na, na, na, na, I better go it alone
Na, na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na

I'm comin' over, see you down at the station
By the lane with my hands in my pocket
Jinglin' a wish coin that I stole from a fountain
That was drownin' all the cares in the world though

When I gettin' older, climbin' up
On the back fence, pointing to the dogs standin' firm
With a ring and a question, dime a dozen
And a voice that was singin' underneath the window

Na, na, na, na, na, I better go it alone
Na, na, na, na, na, I better go it alone
Na, na, na, na, na, I better go it alone

Na, na, na, na, na, I better go it alone
Na, na, na, na, na, I better go it alone

Na, na, na, na, na, na, na, na, na, na
I better go it alone, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na
