Chained up all speeches and eeds  
A book, a god, that's all their needs  
Baptized under the voke of the ten  
Do you dare to destroy them

I have decided and I think I should become a  
homosexual  
Murder and shall get hold of young boys and bring  
Them here where I am staying and I shall rape them  
and then  
Kill them, I should not kill all the boys in the same way  
Preparing worlds's end  
With weapons the church has sent  
Chosen to praise the false  
In the mirror seeing the race

I have decided...
